Educating Underprivileged Children

Dear Friends,

Hope you are doing well. Today, we are excited to share with you an upcoming event, the **Love Run Philadelphia Half Marathon** scheduled for **Sunday, March 25, 2018**. This year, TCF-USA volunteers and supporters from New Jersey and Philadelphia Chapters have decided to register as a team to raise awareness and raise funds for The Citizens Foundation, USA (TCF-USA). The Citizens Foundation-USA (TCF-USA) is a USA based non-profit that supports the education of underprivileged children in Pakistan.

The Love Run Philadelphia Half Marathon has become Philadelphia's premier spring half marathon. This year they have introduced the 5K run, that is 3.1 miles, which takes one through the historical landmarks of Philadelphia. The Love Run Philadelphia Half Marathon course will start and finish at the beautiful Museum of Art at Eakins Oval. The marathon will conclude with a festival for friends and family to enjoy.

Please join us and support the TCF-USA team by participating in the Love Run Philadelphia Half Marathon. It will be an exciting event, which will bring people together for a great cause. By participating, not only will you be creating agents of positive change but also take this as a great motivator in leading a healthy and active life.
