

With 24 million children out of school, the need for a solution to the education crisis in Pakistan has never been greater. If 2017 is any indicator, the Greater Sacramento Community is ready to rise to the challenge once again!

In 2017, the Greater Sacramento Chapter raised funds to support 3 TCF schools and 1 vocational center. This year, we urge you to help support the building of our TCF School in Jhang, Punjab and invest in the education of children across Pakistan.

Together, we can help empower these bright, young students to be agents of positive change in their communities and beyond.
